**Frames, glasses and sunglasses.**

- Savings of 20% on additional glasses and sunglasses.

**Lens enhancements.**
- Lens enhancements co-pay applies to single and multi-focal vision lens enhancements with the exception of glass tints ($44) and polycarbonate ($35) which have higher multi-focal co-pays.

**Additional benefits at no additional cost.***

**Laser VisionCare ProgramSM**
- Contracted laser centers provide discounts averaging 15% off laser surgery, including photorefractive keratectomy (PRK), laser-assisted in-situ keratomileusis (LASIK) and Custom LASIK.
- If the laser center is offering a price reduction, you’ll receive an additional 5% off the promotional price.

**Low Vision**
- Low vision is vision loss sufficient enough to prevent reading and performing daily activities. With pre-approval from VSP, low vision supplemental testing and low vision aids up to $1000 are covered every 2 years.

**Out-of-network benefits.**
Direct Vision also offers out-of-network benefits. Members will realize the biggest benefit savings when they utilize an in-network provider, but our plans reflect the understanding that it is not always possible. When an out-of-network provider is utilized, the member pays the provider the appropriate fees and then requests reimbursement from the plan. The plan will reimburse up to the amounts indicated in the schedule to the right.
